

Lock Out Brackets for Panels.
Provides Total Control of Live Panels for Greater Safety.
Save a great amount of time everyday on job.

Patent Pending

- Other trades definitely do not have access to panel at any time.
- Pairs of brackets each with a lock and 2 keys sold as a unit or brackets available separately. Foreman on job keeps one and the other key is maintained in the contractors' office with the safety director.
- Bracket does not protect against electrical shock. For use only as an access deterrent.
- Strong 18 gauge zinc plated yellow finish steel.
- Reusable with a long life.
