

## TOP SLIDE

Allows faster, trouble free pulls of MC cable and all types of open wire including fiber optic and low voltage cables over T-Bar ceilings.

1.Snap Top Slides on T-Bar

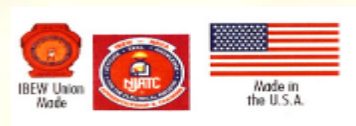

2.Pull Cables

3.Remove to use again

Patented

- ⇒ High quality, smooth hard finished PVC
- ⇒ Bright yellow for high visibility.
- ⇒ Larger diameter edges to contain wire during pulls.
- ⇒ Extremely strong. Long lasting.
